PARENT RECOMMENDATION

Dear Parent(s)/ Guardian,

It is our desire to be a resource to you and your family in raising your teen throughout the junior high school years. We strive to offer a quality program for your student that is fun and socially and spiritually engaging. We believe it is the relationships that your student builds that will shape them more than anything else during this time in their life. We value their relationship with you and your role in their life as their parent. It is not our desire to supplant you, but to support you by coming along side your student in the role of friend, mentor and spiritual leader. Because of the importance of your role as parents, we would like to give you an opportunity to share your thoughts regarding your student and their desire to be a leader in our Underground program at Bridges Community Church. Thank you for taking the time to read this and giving us your thoughts. *(Continue overleaf if you require more space)*
